JERSEY MILK PRODUCTION AND SHOW RING PLACING AWARDS
Sponsored by Pleasant Valley Jerseys of Chambersburg, PA, will be presented by the Pennsylvania Jersey Cattle Association. Special plaques will be awarded in each cow class to the exhibitor of the cow placing in the top 50% of her class, with the highest 305-day, 2x, fat corrected milk record, completed by July 1, on the original entry form in order to be eligible for the award. Exhibitor must present the current DHI or DHIR test sheet to the breed superintendent for verification of the record when the cow is checked into the show.

JERSEY BREED SPECIAL NASCO TYPE & PRODUCTION Trophy to be awarded at each National Show to the exhibitor of the cow with the highest actual 305-day or less official DHI record. The cow must stand in the top five if fewer than 20 in class or top 20% if more than 20 in class. Dry cows are not eligible for this award. The official DHI record must be provided by the owner with substantiating evidence (the official DHI record report form or a statement giving the record, signed by the official DHI supervisor) when the entries are checked by the Jersey staff. In case of tie, the tying records will be converted to an ECM basis with high record being the winner.

**Bred & Owned by Exhibitor - Animals are qualified when (1) the names of the Breeder and Recorded owner are identical on the registration certificate, except when the Recorded Owner is a member of the Breeder's immediate family and has use of the Breeder's prefix; or (2) the Breeder is listed by identical name among the Recorded Owners.*
