**Bred and Owned Recognition Rules** – To be considered for Bred & Owned awards, one of the original owners must be listed as one of the current owners. Where a herd is registered in the names of different members of a family and where the herd is one unit, all entries may be considered as exhibits of one breeder.

**Premier Breeder Rules** – The owner of the dam at the time of service shall be considered the breeder of the animal. Where a herd is registered in the names of different members of a family, and where the herd is one unit, all entries may be considered as exhibits of one breeder. Otherwise when animals are bred in partnership, each unique partnership is considered a unique breeder. The exhibitor winning the most points (for a maximum of six animals exhibited in the open single classes by him/herself and/or other exhibitors) shall be designated the Premier Breeder. In classes with 10 or fewer animals, no more than two head per breeder will be counted toward premier points.

**Premier Exhibitor Rules** – The exhibitor must be the owner. In case a herd is registered or bred in the names of different members of a family, residing on one farm or breeding establishment, and where the herd is one unit, all entries may be considered as a single exhibitor for all group classes. However, members of one family, where cattle are not housed as one unit, will not be considered as a single exhibitor. When animals are owned in partnership, each unique partnership is considered a unique exhibitor.

The exhibitor winning the most points (for a maximum of six animals that he/she owns and exhibits in the open single classes) shall be designated the Premier Exhibitor. In classes with 10 or fewer animals, no more than two head per exhibitor will be counted toward premier points.

**Premier Breeder & Premier Exhibitor Point System** – See chart below.

**Group Class Rules: Junior Best Three & Best Three Females** – Entries in the group classes must be entered and shown in their individual animal classes. All must be bred by the exhibitor and at least one animal must be owned (solely or in partnership) by the exhibitor.

Breeder is identified as listed on the registration paper. Where animals are bred by different members of a family, and where the herd is one unit, they are considered as bred by one breeder. When animals are bred in partnership, each partnership is considered a unique breeder.

# PREMIER NATIONAL JUNIOR HOLSTEIN SHOW

All PNJS ..... Monday, September 20, 8:00 AM, *Equine Arena*  
Judge ..... Pierre Boulet, Quebec  
Breed Superintendent ..... Diana Bissett, Hickory, PA  
Birth dates ..... found in the "[Chart of Classes](#)."

**ELIGIBILITY** – Exhibitors must be a minimum of 9 years old to participate, but not have reached their 21st birthday by January 1 in the year competing. Members who become 21 years of age during the current year will be allowed to compete in Junior activities until December 31 of the current year and not beyond that time. Exhibitors must be National Junior Members of the Holstein Association USA, Inc. Juniors entered in the show may submit applications on site for National Junior Membership with payment by 5:00 PM the day before the show.

**ENTRIES** – All animals must be registered by the Holstein Association USA, Inc. The Junior owner(s) or lessee must be recorded on the registration certificate. Animals must have a minimum of 87% Registered Holstein Ancestry to be eligible for the show.

**OWNERSHIP** – Animals must be registered in the name of the Junior member, or a partnership of Junior members, throughout the year exhibiting in order to qualify for Junior recognition. Adult-Junior and family or farm partnerships are not acceptable.

For an animal (cow or heifer) being transferred to a Junior, or a partnership of Juniors, the transfer application must be received by the Holstein Association USA office on or before July 15.

The following actions will disqualify an animal from Junior recognition:

Transferring an animal in or out of a Junior's name after July 15 of the show year.

Adding or dropping any adult or junior members as owners after the deadline.

**LEASE** – The Junior leasing program is designed to encourage young people to get involved in a dairy project and learn about animal care and responsibility. The leased animal remains in the original ownership and, if the leased animal is bred, any offspring are named using the owner's prefix.

(a) The leasing program is not available to youth who concurrently own any Registered Holsteins either as an individual or in a partnership. However, if the lessee becomes the owner of the animal anytime during the year exhibiting, they will qualify for Junior recognition.

(b) A maximum of two Registered Holsteins may be leased by any youth at one time. Animals may not be leased by partnerships.

(c) The lease may be terminated by either the owner (lessor) or the youth (lessee) by providing written notice to the other party 45 or more days before the intended termination date. A Lease Termination Report must be filed with Holstein Association USA. If the animal has been sold, submitting an application for transfer of ownership will also terminate the lease.

(d) The animal must be leased before she reaches her first birthday.

(e) Leased animals may only be shown by the lessee (Junior). If a leased animal is shown by an adult, the lease is automatically terminated. The leasing Junior must show the animal at all shows; no substitutions may be made.

(f) The owner of an animal to be leased must submit the Certificate of Registration for that animal and a completed Application for Transfer, with the "Lease" box marked, to Holstein Association, USA, Inc. All lease applications must be received by July 15 in the year exhibiting.

(g) The fee to lease an animal is \$20. There is no fee to record a lease termination.

(h) When a lease is initiated and approved, the Certificate of Registration will be printed with the lease details and mailed to the Junior lessee. When a lease is terminated and the Certificate of Registration is returned to Holstein Association USA, the lease termination will be recorded on the certificate and the certificate will be mailed to the owner. All leases expire on December 31 of the year in which the Junior lessee becomes 21 years of age if not terminated prior to that date.

**EXHIBITION** – To be eligible to compete at National Shows, entries must be shown by the Junior owner in all cases, except by prior written approval. Alternate Leadsperson forms must be submitted to the Holstein Youth Program Specialist by 5:00 PM the day before the show. If approved, another National Junior Holstein member the same age or younger must show the animal. Adults are not allowed to show, in any case, or assist with the Junior State Herd Class. A leased animal may only be shown by the lessee. All exhibitors will be required to wear a show harness and show shirt provided by Holstein Association USA or the All-American Dairy Show with white trousers and a show harness. No hats will be allowed in the show ring.

Entries must be made on ALL-AMERICAN DAIRY SHOW entry forms, available from the Show Manager, for both the Premier National Junior Holstein Show and the Open All-American Holstein Show. Those animals to be entered in the Junior Show MUST BE MARKED ON THE ENTRY BLANK. If not designated as Junior Show entries, they will not be included in the Junior Show list of entries. Animals entered in both the Junior Show and the Open Show will be assigned one ring number.

**BRED & OWNED** – To be eligible for Junior Bred & Owned, the name(s) listed as breeder and owner on the registration certificate must be the same. Adult-Junior partnerships are not acceptable. Family unit or farm partnerships will not qualify for Bred & Owned awards unless all partners are Junior members and listed on the certificate under breeder and owner.

**PARTNERSHIPS** – More than one Junior exhibitor may own an animal in partnership if the animal is exhibited by the partnership throughout the entire show season and the names of all Junior partners are listed on the registration certificate. Adult-Junior and family or farm partnerships are not acceptable.

**VIOLATIONS** – If any part of the above Junior Showing Policy is violated, all Junior exhibitors involved will lose all privileges for that show the following year.

**SPECIAL RULES** – In addition to these special rules, all entries are subject to the Open Show Rules and Regulations.
