**COMMONWEALTH OF PENNSYLVANIA
DEPARTMENT OF AGRICULTURE**

Dear Friends,

Pennsylvania is proud to once again host the All-American Dairy Show for its 57th year. The show is one of North America's premier showcases of superior cattle, accomplished breeders and skilled exhibitors. Please join us September 18-22, 2021 at the Pennsylvania Farm Show Complex and Expo Center in Harrisburg to celebrate the industry that feeds our families and fuels our economy.

Your finest stock can be among nearly 2,000 top dairy cattle shown by more than 1,000 of the best exhibitors from the U.S. and Canada. With 16 dairy shows in 4 days, including two days dedicated to youth competition and educational opportunities, the All-American Dairy Show is the premier stop on the tanbark trail!

The 17th Premier National Junior Show provides youth not only with the opportunity to network with their peers and learn from the industry's finest, but to showcase their animals' genetics and their own knowledge of animal care, breeding and the dairy industry. Competition and career preparation are at the center of our industry's future.

The All-American isn't merely an exhibition of leading genetics – it is a celebration of our industry, and an opportunity to compete head-to-head while you learn about new technology and opportunities in a challenging time for our industry. Our priority is not only offering the best possible show experience, but safeguarding the health of visitors, exhibitors and your livestock.

We ask for your help: please spread the word to 4-H clubs and FFA chapters to consider participating in our valuable management contest and judging program. Tell your neighbors about the activities outside the showing at the All-American. This show remains a cherished tradition because you value and support it.

Thank you for your commitment to All-American, and we look forward to seeing you in September!
